To be considered for possible contract employment the following criteria must be met:

- You need to hold a valid contractor's license with the City of Sturgis.
- You need to have current liability insurance in the amount of at least $1 million dollars (single occurrence) and $2 million dollars (aggregate).
- Your equipment must be in good working order and must meet current safety guidelines.
- You must provide a qualified operator(s) that have adequate experience and training to operate the equipment.
- You must be able to respond within 2 hours of an official notice to work. Provide names and phone numbers of contact personnel within your organization. Snow removal can, and often is a 24 hour-a-day operation and should be considered in your scheduling and pricing.
- The operator must carry a working cell phone during assignment.

I meet the above guidelines and would like to be considered for possible contract work.
