The meeting was called to order at 6:00 pm.

Mayor Carstensen led everyone in the Pledge of Allegiance.

Motion by T. Keszler, second by Waterland and carried with all members present voting yes to unanimously approve the agenda.

Discussion was held on 3 schematics for remodeling City Hall. Jarod Carda from Co-Op Architects gave a presentation describing the changes that would be made. There are several items that would be addressed with this remodel: ease of paying your utility bill; being ADA compliant; safety for the employees; a new HVAC system and having additional space for growth. After much discussion, it was decided that this would be brought to the Council at the August 20, 2018 meeting.

Other items discussed:

- Roger Scheiman and Connie Meyer stated their concerns about not having bathrooms at Harley Davidson Rally Point.
- Bonnie Alberts stated her concerns about having a special meeting at City Hall for the presentation on remodeling City Hall.

Councilor Terry Keszler discussed with the Council the noise ordinance and the loud music on Main Street last Saturday night.

Motion by Waterland seconded by Zerbst and carried with all members present voting yes to adjourn the meeting at 7:49 pm.
