PROJECT DESCRIPTION: PROJECT DESCRIPTION: The project includes work items and materials to complete several fishing areas on the four dams of the Sturgis Watershed. The intent of the city is that the four ponds will become a walk in fishing destination. In order to provide safe areas for people to fish, several areas need to be cleared of small trees and bushes, and a few fishing piers placed.

Bidder acknowledges the following:

In compliance to furnish all necessary labor, tools, material and equipment to perform in all detail the Fishing Piers in Sturgis, South Dakota, complete and ready for use as described in the detailed specifications.

Bids shall include all applicable State and Municipal Sales and Use Taxes on materials, and State and Municipal Excise Taxes, and all other State, Local, or Federal Taxes or Fees that will affect the amount of the Bid.

In accordance with SDCL-34-44-8 all bidders are notified that this project does not involve asbestos containing materials. No asbestos containing materials will be allowed to be installed on this project.

The Bidder agrees and states that he has read all contract documents, is familiar with the terms and conditions and agrees to enter into the attached Contract Agreement and acknowledges the receipt of Addenda.

The contract award will be based on the lowest total bid price. The City of Sturgis may waive technical irregularities in the bid or proposal of the low bidder or offeror which irregularities do not alter the price, quality, or quantity of the services.
