# NEW 2021 SCULPTURES

Sturgis is proud to welcome four new sculptures to the Sturgis Artwalk during 2021!

The Downtown Sturgis Foundation, Downtown Business Improvement District, Sturgis Area Arts Council, Greater Sturgis Foundation, and City of Sturgis teamed up on this new project showcasing the visual arts in Sturgis. Together, these partners - along with several hard-working volunteers - made the first Sturgis Artwalk possible!

Spectators follow a path of artwork throughout Sturgis using the Sturgis Artwalk map, available at the Sturgis Area Chamber of Commerce & Visitors Bureau and other locations. As you stroll, bike, or drive by each piece, take time to appreciate the historical and cultural significance of these unique works.
