CITY OF

STURGIS™

SOUTH DAKOTA

A MESSAGE FROM THE MAYOR

Over the past year, the City of Sturgis has made deliberate and meaningful progress in strengthening our financial foundation, modernizing operations, and improving essential services for our residents. We entered this term committed to transparency, accountability, and long-term planning. Today, that commitment continues to guide every decision we make.

We began by confronting our fiscal realities head-on. The Council approved a 2025 budget that reduced by approximately 10%, or \$1.25 million, from the prior year — a necessary step in restoring financial stability and rebuilding public confidence. This work positioned us to end the 2025 budget year with a modest surplus, only achievable through disciplined spending controls across all departments. While challenging, these actions were essential to correcting past practices that led to several years of expenditures exceeding revenues.

Key leadership positions were stabilized with new appointments in administration, finance, and legal services, ensuring consistency and professionalism in city operations. Critical work was also undertaken to codify city ordinances and bring long-needed clarity to governance and regulatory functions. At the same time, we enhanced transparency by requiring that all city contracts, regardless of amount, be publicly approved by the City Council — a major step in strengthening public trust.

Infrastructure progress has been significant. We secured investments for a new airport terminal and taxiway with less than 2.5% local funding commitment, advanced sewer and water utility modernization, and completed floodplain adjustments that will reduce insurance burdens for residents. We also prepared for long-term growth as the National Guard moves to consolidate facilities, opening a key corridor for future commercial development.

As we move forward, our financial discipline remains central. The 2026 budget demonstrates commitment by ensuring structural balance while preserving essential services. We worked collaboratively across departments to identify efficiencies and, when necessary, made the difficult choice not to re-fill four vacant positions rather than cut community services. Department leaders restructured workflows and prioritized service delivery, so residents continue to receive the high-quality municipal services they expect and deserve.

We also made a firm commitment to support our employees. Following an independent compensation study, the City will phase in market-based wage adjustments over two years while accounting for a 27th pay period in 2026 — a combined action resulting in just over a 7% compensation impact in the coming year. This responsible, phased approach ensures we remain competitive in retaining talent while protecting our fiscal health.

Looking ahead, we complete a comprehensive ordinance update, advance capital improvement planning, and continue improving public infrastructure. The upcoming year will also see a renewed focus on community

engagement, strategic land-use planning, and thoughtful economic development to support a healthy local economy and quality of life for our residents.

Sturgis is rebuilding its financial strength, modernizing operations, and positioning itself for a resilient and prosperous future. With continued discipline, transparency, and community partnership, we will carry this progress forward and ensure Sturgis remains a community we are proud to call home.
